# POLARIS SPORTSMAN 570

## UNMATCHED UTILITY.

The most trusted ATV in the industry just got better. The Sportsman 570 has greater smoothness, strength and versatility than ever before, and all coupled with a bold design and our legendary ride and handling.

### EVEN SMOOTHER

Now even smoother with increased front suspension travel joining our best-in-class independent rear to absorb bumps of all sizes. The industry's fastest engaging true on demand all-wheel drive system and increased class-leading ground clearance gives you the traction and capability to ride over even bigger obstacles.

### STRONG AND DURABLE

Quieter, more durable and easier to own. A new powerful battery with easy charging access ensures reliable starts. New sealed suspension bushings stay smooth and quiet, plus cut way down on maintenance.

### TRULY VERSATILE

More accomplished than ever before with best-in-class integrated storage, an increased 1,500 lb. towing capacity and a combined 270 lb. rack capacity. And with hundreds of available accessories, you can add even more versatility to fit your off-road lifestyle.

### TRUE ON DEMAND ALL-WHEEL DRIVE

Just about every ATV claims to have four-wheel-drive but only Sportsman can sense the slightest of wheel spin and then automatically and instantly deliver power to the wheels with traction.

### EASY ACCESS BATTERY CHARGING

The Sportsman 570 is easier to own with convenient maintenance access including a dash mounted engine battery charging port, perfect for short-term storage.

### PROSTAR ENGINE

Power that's both strong and easy to use. Whether you're just idling around the yard, pulling a big load or ripping down a trail, the electronic fuel injection gives you predictable response and efficiency.

### LARGER 25" 6-PLY TYRES

Ride over big obstacles with more confidence, additional traction and greater clearance of 25" tyres with tough, puncture and pinch-resistant 6-ply composition.

### SEALED SUSPENSION BUSHINGS

Keep mud, dirt and water out and eliminate unwanted suspension squeaks with new sealed bushings for smoother travel and reduced maintenance.

### CLASS-LEADING 24.1 CM OF TRAVEL

No one can match the smooth ride of our legendary independent rear suspension with a class-leading 9.5" of travel. You get comfort and confidence whether you're hauling gear or running with friends on the trail.

### SMOOTHER ENGINE BRAKING

Enjoy smoother acceleration and deceleration with improved clutching and integrated Engine Braking System (EPS and Premium Models).

### BOLD STYLING

Color-match painted springs making the premium paint, graphics and component package ready to stand apart on the trail.

### TOWERING 36.8 CM CLEARANCE

The world knows no limits when it comes to terrain, which is why we rose above the expected and developed an ATV delivering a terrain shattering 36.8 cm of ground clearance. Combined with the wide, stable stance and long-travel suspension, little can stand in the way between you and destinations unknown.

### UNCOMPROMISING CONTROL.

New ProSteer Technology eliminates bump-steer and allows the XP 1000 S to deliver fluid, predictable steering with assured confidence in challenging terrain at even more challenging speeds.

# POLARIS SCRAMBLER<sup>®</sup> XP<sup>®</sup> 1000

#### ON THE THROTTLE THRUST

Grab a handful and let the instant hit of the performance-tuned ProStar engine set you back and propel you forward at the same time with a rush of acceleration.

#### RISE ABOVE OBSTACLES

Large rocks, deep ruts and unforeseen stumps offer little resistance to the SCRAMBLER<sup>®</sup> XP 1000 and its impressive 11.5" of ground clearance.

#### TAME MORE TERRAIN

Scrambler has the right tools to tackle the wildest trail. Crank the bars and feel the assured bite of the 26" race-bred tyres, then squeeze the throttle and listen to the howl of the sport-tuned, dual-low stainless-steel exhaust.

#### SMOOTH FOR THE RUGGED

Independent Rear Suspension is calibrated for sport performance for optimum control at speed and premium all-day comfort over harsh terrain.

#### SURE-FOOTED CONFIDENCE

Ride with the freedom to choose. Scrambler's 48" (123.4 cm) wide stance gives you access to trail widths of your choosing with stability and traction for optimum acceleration and cornering.

#### BREAK OUT FROM THE PACK

Corner tighter, accelerate quicker and push the edge of a rugged trail with SCRAMBLER<sup>®</sup> XP 1000. Built upon a tough as nails chassis and infused with a sport performance edge that never follows.

## COMFORT IN PERFORMANCE

Since day one Scrambler has defined the sport ATV category and continues to push boundaries with a design that improves rider mobility, control and comfort with a sculpted seat, wider floorboards and narrowed cockpit.

# POLARIS SPORTSMAN<sup>®</sup> XP<sup>®</sup> 1000 S

## NOT REINFORCED... REDESIGNED

If you want to completely reinvent the ATV, you need to start at the foundation, which is exactly what we did. The entire chassis of the SPORTSMAN<sup>®</sup> XP was developed to work in harmony with the bold performance attributes it delivers.

## STRONGER TRANSMISSION

Some ATVs look tough, but we knew the new SPORTSMAN<sup>®</sup> XP 1000 S had to deliver which is why we completely redesigned the transmission with 25% stronger components to work in harmony with the increase in travel, ground clearance and larger tyres.

## UNCOMPROMISING CONTROL

New ProSteer Technology eliminates bump-steer and allows the XP 1000 S to deliver fluid, predictable steering with assured confidence in challenging terrain at even more challenging speeds.

**UNEXPECTED.  
UNPRECEDENTED.**

It's time to break the rules with the industry's first sport-utility ATV boasting a massive 139.7 cm wide stance. Featuring jaw-dropping capabilities, it redefines control, reinvents durability and reimagines the segment.

# POLARIS SCRAMBLER<sup>®</sup> XP<sup>®</sup> 1000 S

## RZR'S FRONT DIFFERENTIAL

We utilised the front differential and half-shafts of the RZR<sup>®</sup> XP 1000 and brought a 15% increase in component strength, delivering rugged dependability with unquestioned confidence for the SCRAMBLER<sup>®</sup> XP 1000 S.

## MORE TRAVEL WITH MORE CONTROL

Unshackle yourself from conventional thinking and experience control without sacrifice. The SCRAMBLER<sup>®</sup> XP 1000 S delivers a series of industry-first designs including a new long-travel suspension system that crushes terrain with uncanny smoothness, ground clearance and larger tyres.

## BUMPSTEER ELIMINATION

The SCRAMBLER<sup>®</sup> XP 1000 S virtually eliminates bumpsteer through an exclusive ProSteer steering design for a level of fluid precision that is destined to turn the industry on its ear.

**SHATTER THE  
STATUS QUO**

We've redefined the ATV by every measure — an aggressive 139.7 cm stance elevates performance and stability. Bold 27" Duro<sup>®</sup> Powergrip tyres deliver maximum grip and control; and a jaw-dropping 35.5 cm of suspension travel dominates the most unrelenting terrain.

## FEATURES AND BENEFITS - SPORTSMAN® XP 1000
